

TRIP PLANNING GUIDE

TREWORGY FAMILY ORCHARDS

Come Gather Beautifully

WHAT WE'RE ABOUT

We are on a mission to connect people together in community, to the land through agriculture and to God through these experiences.

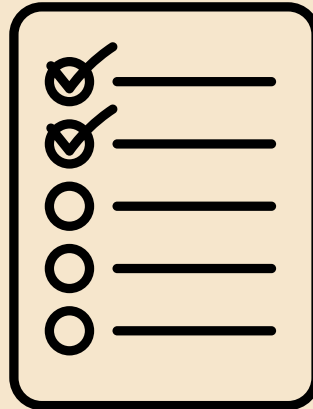

We believe people are most fully alive when they are connected to one another and get out in nature. Everything we do is aimed at making these experiences possible on a real farm.

PLAN YOUR TRIP IN THREE STEPS

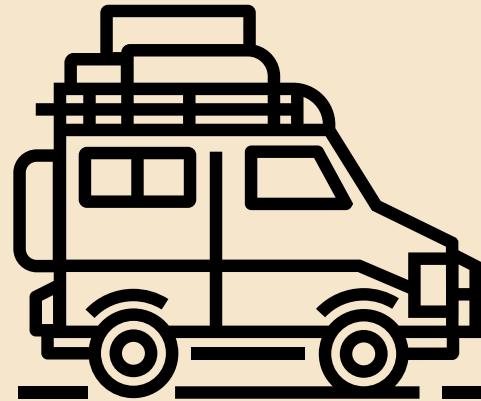

STEP 1 PICK A DATE

Life is busy. Pick a date and get it on the calendar or see what's going on and plan around an event.

STEP 2 PLAN THE FUN

Check the full list of farm activities and make sure you don't miss out on your favorites.

STEP 3 GET HERE

Hop in the car and come on out. See our tips on directions and parking.

STEP 1 PICK A DATE

Hours

10am until Dark Saturday & Sunday
9am until Dark Tuesday - Friday
Closed Monday.

Weekday vs. Weekend

We're closed Mondays - unless it's a holiday, but if you're trying to avoid the crowds consider coming on a weekday. We have all the offerings except hayrides and make sure to get your maze tickets at the hilltop.

Weekend visits are a great time and you can enjoy hayrides from 10am-6pm. Best of all they are free.

Special Events

Choose-and-Reserve Christmas Trees

Visit the Christmas tree field during apple picking season and beat everyone else to the best tree out there. October 7 & 8

Night Maze

Come enjoy the maze after dark in this family friendly (non-scary) event. Collect candy and treats at each station.

Reservations?

No need. Just show up. Tickets for the corn maze can be purchased when you arrive.

Admission?

No admission. Come enjoy the farm for free.

Most people take 30-45 minutes

Want a goat?

Farm Fact

In 2020 we installed solar panels and are now 100% solar powered.!

Why did the apple tree install solar panels?
Because it wanted to be a power plant.

If you come on a weekday, just pull right in off Union Street and park along the road on the hilltop. Everything you need is right there.

If you come on a fall weekend, drive past the farm (if coming from Bangor) and turn left onto Pember Road. The weekend entrance is about 500' down that road.

Grab some apple bags and a pumpkin cart and head out to find some great produce and lasting memories.
